

FIVE MEN ACCUSED OF LONG STANDING CRIMES ARE ARRESTED

The arrest of four men accused of murder and one under indictment for sending Black Hand letters was announced by the Brooklyn police this morning. The Black Hand had been a favorite six years; the alleged homi-

OUCH! PAIN, PAIN. RUB RHEUMATIC, ACHING JOINTS

Rub pain right out with small trial bottle of old "St. Jacob's Oil."

Rheumatism is "pain only." Not one case in fifty requires internal treatment. Stop drugging. Rub soothing, penetrating "St. Jacob's Oil" right into your sore, stiff, aching joints and muscles, and relief comes instantly. "St. Jacob's Oil" is a harmless rheumatism cure, which never disappoints and cannot burn the skin.

Limber up! Quit complaining! Get a small trial bottle of old, honest "St. Jacob's Oil" at any drug store, and in just a moment you'll be free from rheumatic pain, soreness, stiffness and swelling. Don't suffer! Relief awaits you. "St. Jacob's Oil" has cured millions of rheumatism sufferers in the last half century, and is just as good for sciatica, neuralgia, lumbago, backache, sprains.—Advt.

clides from three months to two years. The fathers of the de Luca and De Luca families quarreled in August, 1911, over a mortgage on which each accused the other of putting in the halfway of a tenement at No. 71 Union Street, Brooklyn. The boys took up the quarrel.

Vincenzo de Luca, twenty-one years old, and Antonio, nineteen years old, are alleged to have laid in wait in the lower hall Aug. 12, Augustino Puccio, twenty-two years old, and Frank, twenty-eight years old, walked downstairs into a shower of bullets and fell dead. The assassin fled. The Lucias were arrested at Kansas City yesterday and Detective Puccio and Studwell will go after them to-day.

After a christening on Sept. 2, 1913, Paolo Miceli of No. 16 Tiffany Place, Brooklyn, and his neighbor, Carlo Mazzese, quarreled in front of the saloon No. 118 Rackett Street. Carlo was later found dying on the sidewalk.

Miceli was arrested Tuesday at Omaha, Neb., and Detective Crowley will go for him to-day.

Salvatore Sebellico was examining a revolver on the night of July 29 last at No. 1333 Sixth Street, Brooklyn, when it went off and killed Salvatore Gorath, a sixty-one years old. Sebellico was found in White Street, New York, late yesterday by Detectives Graetano and Quinn, who arrested him for homicide.

Erasmus Rubino, who was indicted for sending Black Hand letters in September, 1909, to Joseph Lamariano, a rich real estate man of Williamsburg, and fled while under \$20,000 bail, has been arrested at Los Angeles. Detective Meali has gone for him.

LONG FALL IN ELEVATOR.

The passenger elevator car in the ten-story loft building at No. 714 Broadway dropped from the top floor to the cellar at 10:30 o'clock to-day. Frank Urie, twenty years old, of No. 18 East Fourth Street, was the only occupant at the time.

The car broke to pieces at the foot of the shaft and pulleys and supports fell from the roof onto the wreck. The crash as the car reached the cellar created a panic among hundreds of girls employed in clothing factories in the building. The elevator operator sustained merely a fracture of the left leg.

FOR INDIGESTION, GASES, SOURNESS, ACID STOMACHS

The moment "Pape's Diapiesin" reaches the stomach all distress goes.

Don't suffer! Eat without fear of an upset stomach or dyspepsia.

Do some foods you eat hit back—taste good, but work badly; ferment into stubborn lumps and cause a sick, sour, gassy stomach? Now, Mr. or Mrs. Dyspeptic, get this down: Pape's Diapiesin digests everything, leaving nothing to sour and upset you. There never was anything so safely quick, so certainly effective. No difference how badly your stomach is disordered you will get happy relief in five minutes, but what pleases you most is that it strengthens and regulates your stomach so you can eat your favorite foods without fear.

Most remedies give you relief sometimes—they are slow, but not sure. "Pape's Diapiesin" is quick, positive and puts your stomach in a healthy condition so the misery won't come back.

You feel different as soon as "Pape's Diapiesin" comes in contact with the stomach—distress just vanishes—your stomach gets sweet, no gases, no belching, no eruptions of undigested food, your head clears and you feel fine.

Go now, make the best investment you ever made by getting a large fifty-cent case of Pape's Diapiesin from any drug store. You realize in five minutes how needless it is to suffer from indigestion, dyspepsia or any stomach disorder.—Advt.
